Chip-
My attendance isn't mandatory, but the only day I'm available is 4/28, so I'd vote for that day.
If it's convenient I'd prefer live attendance.

Thanks-
Tom

Modeling team

Here are the LWG's proposed dates (placeholders) for the QEAFAFATE model calibration check-in. We need to provide dates that will work for our team as well as a head-count of those that are planning to attend in person. A Webinar presentation (gotomeeting) will also be available, but note that they are projecting this as a full day.

Please let us know if you plan to attend, available dates, and live vs webinar attendance preference.

thanks
Chip
